

Safety Harbor Elementary School Membership Form

Join Us as We Build a Winning Team for Safety Harbor Elementary School! Membership is open to parents, students, family members, friends, and even businesses. Your membership in SHES PTA does not obligate you to anything more than joining an organization that continues to advocate for **All** children as well as showing your support of all children at Safety Harbor Elementary. Our ability to sponsor events and activities is directly related to your support and the support of all families. Our goal is to have at least one family member join SHES PTA for each student. By becoming a member of SHES PTA, you can become an important part in helping ensure that our children get a head start in life. We welcome everyone to be a part of our TEAM!
