## FREQUENTLY ASKED QUESTIONS ABOUT SERVING AS A PTA BOARD MEMBER:

### Who can serve?

Men, women, parents, grandparents, teachers, staff, and members of the community can serve as a SHES board member or officer. You do not need to have a student enrolled at Safety Harbor Elementary to serve on the PTA. Good candidates for PTA officers are adults who have a willingness to ...

- Promote PTA's purposes and policies.
- Reflect and embrace the diversity of the school community.
- Participate in leadership training programs.
- Distribute materials promptly.
- Create a climate of support and mutual respect.
- Delegate responsibility.
- Train and encourage new leaders.
- Network with other PTAs and community groups and agencies.

### What is required financially of a PTA officer?

The only financial requirement is that all officers must be registered PTA members. Membership dues are \$5/year. Officers are not expected to incur any out-of-pocket expenses. Materials and supplies used during the course of your volunteer service are approved expenses in the PTA budget.

### Is training provided?

You can shadow a current board member to learn about the position and ask questions before starting. Training is also offered at the PTA Summer Leadership Convention in July, located in Palm Harbor.
